

Bio-Therapeutic
Skin Care for life inside and out®

bt-sonic®
microsonic cleansing brush

ANTIMICROBIAL SILICONE HEAD

Cleansing head made from proprietary BT Azul Silicone, utilizing silver ion technology for comprehensive anti-bacterial and antimicrobial properties

UNIQUE BRISTLES

Provides great coverage, the entire face can be cleansed in 2 minutes

MICROSONIC MOTOR

Strategically located at the base of the neck allowing maximum sonic activity transfer to the Azul Silicone bristles

Powerful and portable, this microsonic cleansing brush is ideal for both home and professional use. Water resistant and engineered for everyday use, its ergonomic shape is comfortable in the hand, while its triangular cleansing head is thorough and gentle on your skin as the antimicrobial and antibacterial Azul Silicone bristles cleanse areas that other brushes simply can't reach. Microsonic cleansing technology has been shown to cleanse 6-8 times better than manual cleansing. The bt-sonic is fun to use, provides a professional quality cleansing in as little as 2 minutes, and leaves your skin feeling smooth and radiant.

Dull days are over.
